Your Honor:

In response to a NOTICE OF ALLOWANCE AND FEE(S) DUE herein, mailed on 11/30/2005, entry of an Examiner's Amendment is respectfully requested to correct informalities in Figures 4 and 4a as amended on 9-24-2004. Specifically, Applicant believes that such informalities, i.e., added cut-and-paste photocopy identifications, and hand-drawn arrows, for "CRIMP METHOD SEAL", are unacceptable for a printed publication and issuance as a patent.

Therefore, two (2) sheets of substitute formal drawings are transmitted herewith, including said Figs. 4-4a, and Applicant requests entry thereof by the Examiner to replace those amended as aforesaid.

The Applicant and his counsel would appreciate any inquiry from the Examiner, if deemed necessary after consideration of this request, by way of a telephone conversation.

Respectfully submitted,  
Joseph D. Franko, Sr.
